

**Absences and Excuses**

The Governing Board believes that regular attendance plays an important role in student achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws, and may use appropriate legal means to correct problems of chronic absence or truancy.

Regular school attendance is to be encouraged by all principals. Each school principal shall make a reasonable effort to determine the cause for each absence within one hour of the opening of the school day.

Absence from school shall be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law, Board policy, and administrative regulations. (Education Code 48205)

Excused Absences

A student's absence shall be excused for the following reasons:

1. Personal illness (Education Code 48205)
2. Quarantine under the direction of a county or city health officer (Education Code 48205)

(cf. 5112.2 - Exclusions from Attendance)

3. Medical, dental, optometrical, or chiropractic appointment (Education Code 48205)
4. Attendance at funeral services for a member of the immediate family, which shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state (Education Code 48205)

Immediate family shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/daughter-in-law, brother, sister, or any relative living in the student's immediate household. (Education Code 45194, 48205)

5. Upon advance written request by the parent/guardian and the approval of the principal or designee, justifiable personal reasons including, but not limited to: (Education Code 48205)

Inasmuch as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

At the beginning of each school year, the Superintendent or designee shall send a notification to the parents/guardians of all students, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

Students shall not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointment.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to law and administrative regulations. (Education Code 46014)

Method of Verification

When a student who has been absent returns to school, he/she shall present a satisfactory explanation verifying the reason for the absence. Absences shall be verified by the student's parent/guardian, other person having control of the minor, or the student if age 18 or older. (Education Code 46012; 5 CCR 306)

The following methods may be used to verify student absences:
